### **Newsletter 24/March/2012**

Dear all,

Pool sessions are now over. Those who have enjoyed them and done very well, see you there in October. Any new members are very welcome.

**The Tryweryn trip** on the 10/11 March was excellent. From my point of view it was great to see excited anticipation from the boys. On the Saturday we arrived at chapel falls. Excitement and nerves started to kick in. At chapel falls before they got on the water they were asked to practice their throwline skills, for Charlie this was new to him but he did very well. Under Adrian's guidance they looked at where to break in and out and after a few attempts they were off down the river. I met them at Bala where they were all smiles. They had a very good run with lots of playing. 3/4 hours of fun. Saturday evening we found a nice hotel for dinner. The food was good if a bit slow coming. The boys were great company and chatted for most of the evening. After a bit of television they fell into bed. Sunday was the big stuff, fishgate pass down to chapel falls. Tom gave this a miss but did a fantastic job of running down to take some good shots for me. (He runs quicker than me!) Tom then got ready to drop in at chapel falls to join Adrian, James and Charlie. Then they were off again down the river. I met them at Bala all smiles again and very tired. After some refreshment we set off for the long journey home. They were asleep within the hour. Well done boys you were great!!!
